International Congress on Quality in Laboratory Medicine

Themes: Impact of TQM & Evidence-Based Laboratory Medicine

Under the auspices of

IFCC
International Federation of Clinical Chemistry and Laboratory Medicine

EFLM
European Federation of Clinical Chemistry and Laboratory Medicine
Labquality Days is one of the largest international congresses in 2017 focused on quality and laboratory medicine. The congress is held at Messukeskus Helsinki, Expo and Convention Centre. 2017 congress themes are Impact of Total Quality Management (TQM) and Evidence-Based Laboratory Medicine (EBLM). Welcome to Helsinki – a safe, cool and clean northern winter capital. More information at www.labqualitydays.com.

Preliminary Program Highlights

Where Is the Evidence? Demonstrating the Value of Laboratory Medicine
Mike Hallworth, UK

Innovative European Strategies in Predictive, Preventive and Personalised Medicine: Laboratory Medicine as the Key Player
Olga Golubnitschaja, Germany

Applying the Principles of Evidence-Based Laboratory Medicine
Christopher Price, UK

Quality Control in Evidence-Based Laboratory Medicine
Jérémie Gras, Belgium

From Results to Consequences: the Changing Landscape of Test Evaluation
Patrick Bossuyt, the Netherlands

The Role of EQA
Jonna Pelanti, Finland

In Quest of Making Sense – Implementation of TQM in Postanalytical Phase
Dunja Rogić, Croatia

Total Quality Management
Sverre Sandberg, Norway

Title to be announced
Wytze Oosterhuis, the Netherlands

"The 2017 scientific program deals with relevant topics for the laboratory today: Evidence-Based Laboratory Medicine and Impact of Total Quality Management."

"The congress always includes new innovations. The lectures are interactive and modern technology is present everywhere – digital posters are a new feature available next year."

"Labquality Days is one of the largest annual international congresses in Scandinavia focusing on quality and laboratory medicine."

Message from the Scientific Committee

Piet Meijer
Ph.D., Director, ECAT Foundation, the Netherlands

Dalius Vitkus
Ph.D., Associate Professor, University of Vilnius, Lithuania

Committee Chair, Päivi Laitinen
Ph.D., Adjunct Professor, Chief Chemist, HUSLAB, Finland
